NORTHERN UTAH STATE PARKS

DEER CREEK STATE PARK & RESERVOIR lies in the southwest corner of beautiful Heber Valley and consistently provides some of Utah's finest year-round fishing. Warm water and predictable canyon winds make Deer Creek extremely popular for boating, wind surfing, swimming, and sail boating. (435) 654-0171

At **UTAH LAKE STATE PARK** you can fish year-round for channel catfish, walleye, white bass, black bass, and several different species of panfish in Utah's largest fresh water lake. The state park provides major access to the 96,600-acre lake for power boating, sail boating, canoeing, and kayaking. The ice arena that was once host to several 2002 Salt Lake City Olympic events, now welcomes ice skaters November through March. (801) 375-0731

WILLARD BAY STATE PARK rests atop the Great Salt Lake flood plain in northern Utah. Its 9,900 acres of fresh water provides boating, water-skiing, and year-round fishing for crappie, Walleye, Wiper, and catfish. Willard Bay also offers superior camping and picnicking. (435) 734-9494

THIS IS THE PLACE HERITAGE PARK is home to Old Deseret Village, a living history museum, where you can discover what life was like in Utah during the mid-1800s. The park is comprised of more than 40 recreated and original buildings from settlements throughout Utah. Staff members in historic costumes, called interpreters, demonstrate daily life in 19th century Utah. (801) 582-1847

WASATCH MOUNTAIN STATE PARK, located in beautiful Heber Valley, is Utah's most developed state park. Tucked away in the Wasatch Mountains, the park is both a summer and winter

wonderland. One of Utah's finest 27-hole golf courses is found here. Camping, picnicking, hiking, and horseback riding are among the many day activities available. During winter months, you can enjoy snowmobiling and cross country skiing. (435) 654-1791

JORDANELLE STATE PARK is located in an exquisite mountain setting near Heber City.
